

The 1996 Christmas Card picture was taken at Jungfrauoch in September 1996. I had the boys join me in Europe after I finished a business trip to Munich. We spent 10 day traveling through southern Bavaria, Austria, Lichtenstein, and Switzerland. While in Switzerland I took them to visit Institute auf dem Rosenberg, the boarding school I attended for 5 trimesters from January 1956 through July 1957.
